Christmas at Successfactory™

a place of your own...

Package 1 - Chocolate Heaven - a creative and innovative approach to strengthening your team and celebrating the year – the most delicious bonding experience ever!!! Working as special chocolate agents, your mission, should you choose to accept it, is to learn how to make chocolates and then create a product, including chocolate design, packaging, and a slogan for a specific market segment. And then sell your ideas to the Dragons Den! Team bonding has never been tastier than in Chocolate Heaven. Followed by a scrumptious Christmas Lunch with all the trimmings and much laughter and celebration.

Package 2 - The BIG Picture – You'll brush up on your artistic skills, whilst discovering how to work as a team with a shared purpose! The session starts with fun money earning activities to get enough money to buy the materials needed for the masterpiece. You then discover the canvas you have been asked to create. You quickly realise that to succeed you will have to work as a high performance team. All is revealed when the great unveiling ceremony takes place. There are roles for everyone, even the less than artistic - the team's strengths really are discovered and utilised. Followed by a scrumptious Christmas Lunch with all the trimmings and much laughter and celebration.

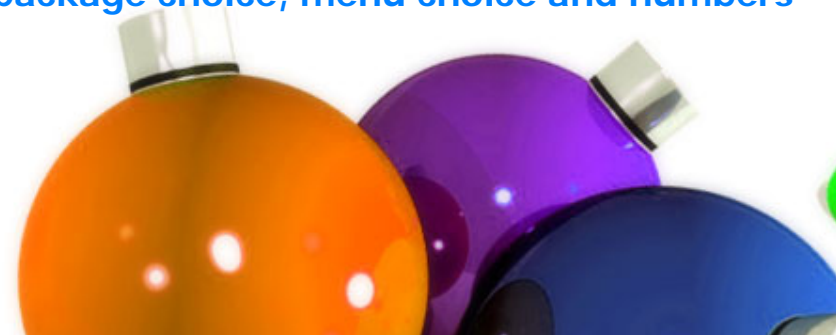

Package 3 – Mad Allen's Christmas Auction - This is the one for the hardy team! We will be outdoors for a lot of the time - whatever the weather. The great news is that you will be in beautiful Cheshire countryside. Each team receives a brief and a short amount of time to plan their strategy. The teams then come together at the auction house where they bid for plots in a competitive environment. The plots are all situated in the beautiful countryside of the Sandstone Trail – some harder to find than others. Each site is given a grid reference and a monetary value. The team then have to find the plots they have bought at the auction to earn money. The team with the most money wins!!! After all the fresh air we finish with a scrumptious Christmas Lunch with all the trimmings and much laughter and celebration.
